1. Meeting January 11, 2023: Attendees: N. Lubin Chair M. Fitzpatrick Vice-Chair O. Fitzpatrick  
A. Brown T. Dubose G. Ward.  
A. Graham
2. Minutes from December 8, 2022 were approved as read.
3. The ED, Mrs. Jamia Anderson informed the Board that our enrollment goal for next year is 520. This means that if all our current students remain with us, we will need to enroll 217 more students. Additionally, we are expected to have our gym and cafeteria available for use by January 30, 2023. Further, Ms. Kathy and Ms. Beth are in the initial stages of writing the proposal to secure our historic tax credits for the work being accomplished for our gym and cafeteria, as well as the second floor of our main building. Lastly, our students will be MAP testing January 17th-20<sup>th</sup>. This is the final benchmark to be taken prior to official State Testing this Spring.
4. For Committee Reports, Mrs. Mary Fitzpatrick informed us that BlueHub and Ten Square recently visited our facility to gather information for the upcoming repair projects. The visit went well and all questions were responded to appropriately and promptly.
5. We were reminded our next meeting is February 9, 2023 and the meeting was adjourned.
